General Leonard D. Heaton
Walter Reed Hospital
Washington, D. C.

Dear General Heaton:

I wish to express to you my very deep appreciation for your devoted services, professional and human, during my brother's last illness. I would also much appreciate it if you would similarly express to those who worked with you -- General Pruitt and the devoted nurses, men and women, -- my most sincere thanks.

I feel that you and all at Walter Reed did everything humanly and medically possible for my brother, and you have the gratitude of his entire family.

I have not mentioned Dr. Kamin in this letter as I am writing to him separately.

Faithfully yours,

Allen W. Dulles
Director
